Showing Up For The Country

What happens when we show up to support neighbors, family, our church community, and especially those targeted by the current administration? How can we use our privilege to show up for others with less privilege? How is our activism more effective when it's based not only on ideas but also on what we learn and the relationships we form when we show up for other people? How can California show up for the country? How does the Courage Campaign mobilize people to show up by participating in our democracy?

Emma Crossen is a graduate of the Harvard Divinity School and currently the Deputy Director of the Courage Campaign, which fights for a more progressive California and country by combining digital tools with grassroots community organizing.

Speaking The Truth

There are challenges and rewards for discovering truth in the world and in yourself. But that's not the end of the story. Speaking truth is surprisingly complicated. In particular, emotions play a bigger role than we usually realize. We will explore the act of truth-telling, why it's complicated, and how lies may make us aware of deeper truths that we were not aware of.

Worship Leader: Steve Johnson

Worship Associate: Rev. Amy Zucker Morgenstern

Sunday morning childcare for infants, toddlers and preschoolers will be available from 9 am to 12:15 pm in Rooms 7 & 8 and 2 & 3.

Stewards Wanted!

Worship Hosts: When our wonderful guest speakers come to UUCPA, they need someone to coordinate the order of service ahead of time, greet them and orient them to the church, and emcee the service. If these tasks appeal to you but writing and giving a reflection does not, this is a great way for you to help at UUCPA. Amy will provide all training and you will have the support of the team of Worship Associates who know the Sunday morning ropes.

Rides: When someone long involved with UUCPA can no longer drive to church, we want to make sure they can remain involved. This is a fun thing for anyone who enjoys getting to know interesting people, wants to help create community, and is able to drive one or two people from their area to church once a month.

Rides Coordinator. We have sufficient need for rides to church that a schedule of providers is needed. We have excellent models in place with the ushers and sound system stewards, who sign up for a monthly spot and coordinate most schedule changes among themselves, with the help of a coordinator of each. If you're good with organizing and detail follow-through, and want to make the congregation even greener and friendlier, doing this for rides would be a great fit.

Memorial Committee: This wonderful ministry gives support and comfort to grieving families by helping them with the reception and a few other logistics surrounding a member's memorial service. We have a detailed checklist and explanation of the short list of tasks to support volunteers, and Debra Heinz (logistics) and Amy Morgenstern (the service) are their partners. Each person on the committee will be in a lead role one to two times per year. If you are compassionate, detail-oriented and kind, this is a great fit for you.

Please contact Amy if you are interested: parishmin@uucpa.org or x26 at church (650 493 3537).

Caring Network

KAY BROWN loves being a grandma to her seven year-old grandson. KRISTI IVERSON reported the hearing went well for the Afghan man who has lived with her brother for eight years. They will hear the outcome of the hearing in 150 days or so. JANE CHRONIS has twins and they both let her know they were engaged. No wedding dates yet, but she has dreams of the grandchildren she hopes will come sooner than later.

Exploring Mind, Hands, Spirit and Heart Through Art

Presenter is Amy Zucker Morgenstern

Contact is Amy Zucker Morgenstern (parishmin@uucpa.org)

Devote two hours to simple and profound art exercises with Amy, who is just back from a sabbatical spent making art and developing this program. If you think you have no artistic talent, you will be amazed by what you can do. Each session stands alone, but they also build on each other, so you're strongly encouraged to come to all five. Bringing a small sketchbook is a good idea; all materials are provided. For youth and adults; if you have a child you think would be interested, talk with Amy.

*The May 7 session listed earlier has been cancelled.

Announcing 13th — A Movie And Community Discussion.

13th is an Oscar-nominated documentary by Ava DuVernay (director of *Selma*) about how the prison system in the United States reveals our nation's history of racial inequality. It is extraordinary and galvanizing. The movie will be shown on Sunday, March 26 at 12:45 pm in the Fireside Room, followed by discussion from 3 to 4 pm. Please feel free to join us at 3 pm for the discussion if you have already seen the movie. It's available on Netflix.

Children and Youth Religious Education (CYRE) News

— *Rev. Dan Harper*

Even though it's only March, we're already deep into planning for next school year. A few things to look out for in 2017-2018:

- Due to high demand, we plan to offer at least two units of OWL sexuality education: the gr. 7-9 unit, and the gr. 4-6 unit.
- We will be offering Coming of Age again, from Jan.–May, 2018.
- We expect to offer the same grade levels in Sunday school again next year: preK, K-1, 2-3, 4-5, and middle school.

That's what we're planning for next year. Then there's our wish list, things we hope to do. Heading my wish list: being able to offer two levels of the Navigators scouting program, both the junior and senior levels — and that could happen if we can develop some strong adult leadership to assist Ed Vail, the current Navigators leader.

What's on YOUR wish list for our children and youth programs? What would YOU like to see happen at UUCPA?

— See you soon, *Dan Harper*

Girl Scout Sunday

UUCPA will celebrate “Girl Scout Sunday” on March 12. We invite Girl Scouts of all ages to participate at the 9:30 am service: Daisy, Brownie, Junior, Cadette, Senior, Ambassador. Participating girls will have a role in the service, and be recognized with the Girl Scout Sunday patch to place on their uniforms.

Celebrated the week of the “Girl Scout Birthday” on March 12, Girl Scout Sunday and Girl Scout Sabbath give girls an opportunity to attend their place of worship and be recognized as a Girl Scout. For the past couple of years, UUCPA has celebrated this day with our Girl Scouts as they performed roles in the service (handing out orders of service, performing readings, introducing hymn, collecting the offering, etc.). We have also taken amment to recognize the adults who were Girl Scouts [continued]

growing up, or serve as adult leaders.

If you have a Girl Scout who wishes to participate, please email Ann Hepenstal before March 6 to sign up. Please include your name, your Girl Scout's name, and her grade in school. (The office has contact information.)

Spring Project: Ecology Experiments

The CYRE Committee is introducing a new Spring Project for gr. K-5

– Ecology Experiments! From March 26 through May 7, we'll be offering fun ecology-centered activities for elementary aged kids. Projects may include ecology-oriented crafts, quilting, games, cooking, etc. There will be fun ecology-oriented skits and environmental songs to sing. Kids like coming to the Spring Project, whatever the theme, because they get to choose the fun activities they prefer, and they get to be with other kids of different ages.

Want to help lead an activity in Ecology Experiments? It's fun and easy. You prepare one project, and lead the same project each week for 4-5 weeks (depending on your availability). We have the following projects already prepared for you to use:

- a variety of ecology crafts for kids – organic baking and/or cooking
- making a terrarium – playing ecology board games (Wildcraft, Eco-Fluxx, Skunk Bingo, Dragonfly, etc.)

- making mini-biospheres (but you'll have to find a source for amphipods) Please contact Dan Harper <danharper@uucpa.org> if you'd like to help!

Clean Money Grassroots Summit

— **Saturday, March 25 at UUCPA.**

Who's spending millions on political ads to buy elections while hiding their identity from voters? You should know.

Last year, Clean Money activists like you helped our California DISCLOSE Act, AB 700, get within one vote of passing! Now there are two new DISCLOSE Act supporters in the California Senate, so we have our best chance ever to strike a major blow against Citizen's United.

We are back with the new DISCLOSE Act, AB 14, which would be the toughest law in the nation against secret money in politics, requiring political ads to stop deceiving voters about who's paying for them.

It's so important to stop hidden funders of political ads that we're not taking any chances. We're mobilizing massive grassroots support to push it through the legislature, and that's why we need you!

Join our Northern California Grassroots Summit on March 25.

California Clean Money Campaign grassroots leaders and activists throughout Northern California are coming to a full-day summit on Saturday, March 25th in Palo Alto. Come learn how to talk about AB 14 and to plan the full-scale grassroots campaign to win strong in the home stretch! Also hear about some exciting new Clean Money bills that we can really help pass.

WHAT: Clean Money Grassroots Summit

WHEN: Saturday, March 25, 9 am to 4:30 pm

Light breakfast at 9 am. Lunch will also be served.

WHERE: Palo Alto, CA In a handicapped-accessible building.

COST: Free (but donations of \$5 – \$30 toward food and other costs appreciated.)

CARPOOLS will be coming from all over, so note on the registration page if you need or can offer a ride.

This is a full-day summit. The morning session is detailed training on AB 14, and the afternoon session is about implementing the campaign plan. If you can't attend all day, you're welcome to attend either morning or afternoon.

A Concert Of Words

On Sunday, April 16 at 12:30 pm in Room 9, The Friends of Poetry will present a concert of words to celebrate Spring and Poetry month. Come and listen to our collected favorites (Perhaps you might bring yours) Abundant Friendliness. Refreshments.

Stevenson House Construction Project Update

Stevenson House, the 120-unit low-income elderly housing complex next to the church, has been undergoing extensive renovation, including seismic retrofitting, for the past 15 months. The work is now 80 percent complete, and the dining room and lounge are open for residents to use. However, it feels like everything has been started but not yet completed. The residents in Building C, the final of the three buildings to be renovated, were moved to temporary apartments in Mountain View to stay until mid-March. The rain made it impossible to complete a set of external stairs needed for emergencies as well as a lift and stairs from Building A lower level to the parking lot. Rain leaked into areas of the roof that were not quite complete. There's lots of mud around the site. Despite all of that, "substantial completion" is set for about March 31. The last major work to be completed will be the landscaping and the re-laying of the parking lot.

Stevenson House residents, the board, and the staff thank the church for its help through this process. Stevenson House was able to rent space at the church to serve meals, hold resident events and meetings, and provide a lounge area. The church staff was supportive, and the use of the UUCPA parking lot was essential to meet transportation needs.

The Religious Education program has made Valentine's Day gift packages and placed them on resident doorknobs as a pleasant surprise for the residents. Cash donations from church members helped us provide support services not covered by the rents. The recent Sunday morning collection and December donations by some church members helped the Board to purchase Eco-Passes for all our residents, allowing them to use public transit in Santa Clara County at no cost. This helped meet a sustainability goal to encourage the use of mass transit.

Thank you very much for all of your help

—Phyllis Cassel and Carol Steinfeld

Spectacular Murals of the Mission: Street Art Tour in San Francisco

Monday, May 29 (Memorial Day), 11 AM - 2 PM

San Francisco's Mission District is famous for its murals and other street art, and SF resident and public-art aficionado Amy Zucker Morgenstern will be your docent in this living museum, making use of her major in art (and they said it wasn't practical!). We'll put on our most comfortable shoes, meet at a terrific taqueria in the heart of the Mission for lunch, then take an hour-long walking tour, ending up at a delicious bakery for dessert; the meals, like the art and good company, are included in the package. We'll begin and end near a BART station if you'd prefer public transportation, or there's easy parking nearby. The tour covers 1.5 miles, and is flat and entirely wheelchair/scooter accessible. Cost: \$30 each to benefit the church (one scholarship available, so talk to Amy privately if cost is an issue). To be one of the nine participants, call the church office to sign up.

June 21-25, New Orleans, LA

Planning has begun for General Assembly 2017 at the Ernest N. Morial Convention Center, 900 Convention Center Blvd, New Orleans, LA 70130. [Google Map](#). Steeped in a history of influences from Europe, the Caribbean, and Africa, it is one of America's most culturally and historically-rich destinations. It is a city known for its music, food, architecture, and festivals. The average high temperature in June is 89 degrees and the average low is 71.

New Orleans is also known as a place of re-birth following the devastation of Katrina in 2005. Many Unitarian Universalists have contributed time and funds in the effort to rebuild both the city and the congregations in the area. By going to New Orleans, we can both celebrate our successes and recommit to the relationships that have been forged with this community.
